

Operations Challenge 2019

GREAT OPPORTUNITY TO MAKE YOUR COMPANY VISIBLE TO THOUSANDS OF WATER PROFESSIONALS

Narragansett Water Pollution Control Association, a non-profit 501(c)(3) organization, is seeking sponsors to help finance the travel costs for the 2019 NEWEA champions, Rhode Island's "Ocean State Alliance", to compete at **WEFTEC – the largest water quality exhibition in the world with more than 25,000 attendees expected!** Once again, the Rhode Island team's first place overall finish at NEWEA's 2019 regional competition has earned them the opportunity to compete at the national level. This year's national event will be held at **McCormick Place, Chicago IL, on September 21 – September 25, 2019.**

What is the Operations Challenge?

Operations Challenge is the "Wastewater Olympics" for professionals in the wastewater treatment industry. Four-member teams compete in 5 separate competitive events, regionally, hoping to earn the right to represent their respective states at the national competition at WEFTEC.

1. **Maintenance:** Perform maintenance and operation of a KSB Submersible NC80 pump
2. **Collection Systems:** Simulate connecting a 4" PVC lateral sewer to an existing 8" PVC sewer pipe
3. **Safety:** Respond to an unconscious worker at the bottom of a confined space
4. **Process Control:** 20-minute written wastewater skills test and 15-minute process simulator
5. **Laboratory:** Analyze TSS and TDS and calculate solids mass balance across a treatment system
